Sir,

Sub:- Cooperative societies- The Tungabhadra Project Cooperative Stores- Hospet- Loan of services of a Senior Inspector- Recovery of cost.

Ref:- G.O.No. 5830 Development dated 17-12-47.

In their order cited above Government were pleased to sanction the employment of a senior inspector to work under the Tungabhadra Project cooperative stores, Hospet for a period of one year from the date of employment. Government also ordered that one half of the cost of the Senior Inspector should be recovered from the funds of the cooperative stores and the other half from the Project funds. The mode of recovery to be effected has not been specified in the G.O.

2. In my department recoveries from other Governments or departments on account of special schemes are worked on two basis i.e.,(i) On the basis of the average cost under fundamental rule 127 including recovery for leave salary and pension contribution, e.g., staff sanctioned for the supervision of the supply of milk, Fruits etc., to the Army and (2) Actual cost (pay, allowances contingencies etc) incurred on the staff. e.g., scheme for the development of

Dairies. I request to be informed whether the cost has to be recovered on the basis of item (1)(2) above. It may also be stated whether the cost in respect of vacant periods should also be recovered.

3. The Accountant General has enquired whether the cost of the staff should be recovered from the Project funds quarterly or half yearly and has asked me to obtain the specific orders of Government. A copy of his letter is enclosed. I solicit early orders.

(C.No.16677/BD/58) Sub:- Co.operative Societies - The Tungabhadra Project Co.operative Stores, Hospet - Loan of a Senior Inspector - Recovery of the Cost of expenditure -

Ref:- From the R.C.S. R.C. 15934/46-5 dated 6.2.1959

In G.O.No.5830 Dev dated 17.12.4[illegible] sanction was accorded for the employment of a Senior Inspector to work under the Tungabhadra Project Co.operative Store, Hospet for a period of one year from the date of employment and it was ordered that one half of the cost of ~~expenditure of~~ the Senior Inspector should be recovered from the Co.operative Stores and the other half from the Project Funds.

The R.C.S. has stated that in his dept recoveries are from other Governments or departments or special schemes are made either:

(i) on the basis of the average cost under F.R. 127 including recovery for leave salary and pension contribution; or

(ii) on the basis of actual cost (pay allowances, contingencies etc) incurred on the staff.

With a view to know the method of recovery on account of the cost of the Senior Inspector referred to in para 1 above, the R.C.S. has enquired

(i) whether the cost to be recovered under items (i) or (ii) of above;

(ii) whether the cost in respect of the vacant periods also should be recovered; and

(iii) whether the cost of the staff should be recovered from the Project funds quarterly or half yearly.

Item (i) above. Under F.R. 127 (a) the cost the staff to be recovered for whose benefit the

additional staff is created shall be the gross sanctioned cost of the service. In view of this, the R.C.S. may perhaps be asked to recover the gross cost on account of the Senior Inspector, under F.R. 127(a) for orders.

Item (ii) above above. It would seem better that the cost in respect of vacant periods is not recovered as the Senior Inspector on foreign Service will cease to be paid by the Society. For orders whether the Regr may be informed so.

Item (iii) above. Fin. Dept may be requested to advise as this paid.

After order are passed the file may be sent to finance for remarks.

(Previous Finance note on p.2 above)

The file has been sent to Finance with reference to (iii) in para 2 on p. 1 above.

(W) In G.O. 5830. Development dated 17-12-'47, the Govt. sanctioned the employment of a senior Inspector of Co-operative ~~Stores~~ to work under the Tungabhadra Project Co-operative Stores, Hospet, for a period of one year from the date of employment. It was ordered that one half of the cost of the Senior Inspector should be recovered from the funds of the Co-operative stores and the other half from the Project funds. Finance may advise that the cost of the staff with necessary contribution may be recovered from the funds of the Project ~~quarterly~~ half yearly. As this is only an inter-departmental adjustment it does not seem necessary ~~to the period of employment as only a year.~~ to make any reference to Finance. It will be sufficient if a G.O. is issued.
